REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-9, 20-49 are allowed because none of the prior art alone or in combination teaches or suggests the particular subset of the process steps in forming a nonvolatile memory by forming a layer to provide at least two conductive floating gates for the memory cell, wherein each floating gate comprises a first portion and an upward protruding second portion, the second portion being formed over the first dielectric and overlaying a sidewall of the first conductive gate, wherein the memory cell comprises two source/drain and a channel region which borders on the source/drain regions, and each floating gate of the memory cell is operable to control a portion of the channel region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
